3. The two (2) participants who advance to the touchscreen game will progress through a series of candy-themed levels for a chance to win \$25,000 in cash.
  - a. The game board consists of 25 candy-themed spaces. Behind each space is either a cash amount or a "Candy Cash Out."
4. In the order in which they were verified, the two (2) participants one at a time will choose candy spaces until they hit a "Candy Cash Out."
5. The objective is to move across the board and through the maze of candy by selecting one candy from each row.
  - a. As each participant advances row by row, it will reveal a cash amount. These amounts accumulate as the participant's progress.
